COACHING OPTIONS OFFERED BY MID CANTERBURY HEAD COACH JACK TILLER

School Holiday programmes

Holiday programmes are a great way for kids to develop their tennis during the school break. Holiday programmes run at the end of each term either one or both weeks of the holidays. Holiday programmes are a great option for beginning players that would like to have a taste of tennis or our more elite players that are looking for extra training and point play.

Holiday programmes are \$120 per camp or \$35 per day. This includes Monday to Thursday 9 am to 12 noon. This gives players 12 hours of tennis coaching over four days.

Teen Tennis

Teen tennis is a fun and social opportunity for teenagers to start playing tennis or carry on from Hot Shots coaching. The goal of these sessions is to improve player's tennis skills in a fun and social environment.

The cost of Teen Tennis is \$75 for 6 sessions. These start the second week of each school term and run Tuesday & Wednesday 5.30 to 6.30 pm.

Adult Coaching

There are three options for adult coaching here in Mid Canterbury. These are as follows;

Skills & Drills – Tuesdays 10am – 11am

Men's night – Tuesdays 6.30 pm – 7.30pm

Skills & Drills – Fridays 6.45pm – 7.45pm

Participants of adult group lessons experience both tactical and technical coaching and modified games in a fun and social environment. Anyone is welcome to adult coaching.

Adult lessons are pay as you go at \$15 per session. Participants can also buy five lessons at a discounted rate.

Private Lessons

Private lessons are a great way to improve at a quick rate. The lower player to coach ratio allows players to focus on important individual areas of their game.

Private lessons are paid for by the hour and are \$50. However, the time can be adapted to suit the individual needs of the player. Private group coaching is also available on request.

Important: For all coaching sessions wear suitable footwear/clothing & bring drink bottles!!

For further information or to register for any of the coaching options above, please contact Jack Tiller M: 021 026 87322 or E: coach@midcanterburytennis.co.nz

If weather doubtful ph 308 3020 & check answer phone message

BASIC TENNIS RULES

Start of Match - Toss

At the start of each match a toss takes place to determine who is to serve/receive or choice of ends.

1. A toss is made at the start of each individual match
2. A team toss for all matches is not acceptable
3. Whoever wins the toss has the choice of **one** of the following:
 - To serve
 - To receive
 - Choice of ends
 - You can make your opponent make one of the choices

Eg. if you elect to serve your opponent can choose which end they receive from or if you elect to receive your opponent can choose which end they serve from

Serving:

- The foot must not touch any part of the base line before the ball makes contact with the racket
- If the receiver hits a serve on the full the point will go to the server regardless as to where the serve is going to land
- All serves must bounce in the correct service box before the receiver can return the ball
- The server may throw the ball up into the air more than once as long as the ball has not been swung at by the racket
- If the server throws the ball into the air and swings the racket and misses the ball, it is a fault
- A player may serve underarm as long as the ball is not bounced first
- Encourage players to serve over arm

Net Calls:

- When serving and the ball hits the net the ball must land in the correct receivers service box for a net call. If this happens you have that serve again.
- If it hits the net and does not land in the correct services box it is a Fault.

Line Calls:

- If the ball hits any part of the line the call is in.

Hitting the ball on the full/Player being hit on the full

- If you are standing outside any line eg. base line or sidelines and you hit the ball on the full it is taken as being played at.
- If ball is not returned inside the court of the opposing player you will lose the point.
- If the ball hits/touches the player or anything the player is wearing or carrying (except the racket) **on the full** whether the player is standing inside or outside the court, the touched player shall lose the point.

Scoring:

- The server is responsible for keeping the score.
- Calling the servers score first.
- A player can only make a call on their side of the court.
- If a player does not know whether the ball was in or out the ball will be called **in** and the point will go to the opponent. The point is not replayed.

GUIDE LINES FOR SELF UMPIRING

- **All players** are required to self umpire
- Players are required to make calls on their end of the court only
- In singles matches if a player is unsure of the call (eg. whether the ball was in or out) the ball will be taken as in. The point is not replayed.
- In doubles if players from the same team do not agree on a call (eg. whether the ball was in or out) the ball will be taken as in. The point is not replayed.
- A player can not make a call on their opponent side of the court
- In the case of Junior C where players are learning to self umpire, a supervisor may support players in self umpiring and to ensure fair play
- Other grades and tournaments: if problems continue an adjudicator can be appointed for the rest of the match
- The role of an adjudicator is to ensure that correct calls are made, correct scoring is kept and to ensure that fair play continues

Mid Canterbury Seniors

Any person 35 yrs and over is eligible to play Seniors tennis. Players of any ability are welcome. Every effort is made to have people playing others of a similar ability. The aim is to have fun playing and to enjoy socialising with other tennis players.

Mid Canterbury Tennis Seniors plays in the Canterbury Country Tennis Seniors Sub Association Round Robin Competition. This is usually played on the 2nd Sunday of each month November – March. Matches are home or away. Teams consist of up to 12 men and 12 ladies and we play doubles and mixed doubles.

As well as our opening and closing day tournaments in September and April, Mid Canterbury will host a Seniors Doubles Open Tournament on Saturday 28th & Sunday 29th

March 2020 – all players qualifying for Tennis Seniors are able to enter this tournament. We also play matches against South Canterbury Seniors on a home and away basis with a game at the start of the season and the second in early February.

Canterbury Country Tennis Seniors plays representative matches against other associations during the year. Each sub association is asked to field players to form a rep team. Matches are played on Sundays with some played over weekends if travel to distant venues is required.

There are many Tournaments played and all affiliated Seniors players are eligible to enter these. If you want to play tennis every weekend of the year you could. The schedule of Tournaments is published in the Canterbury Country Tennis Seniors booklet.

Seniors are also invited to participate in other competitions including Wednesday Twilight, Thursday Sunset and Saturday afternoon Mixed Masters. Like Seniors competitions, these are all doubles competitions.

Mid-Canterbury Tennis Seniors Subs

TWILIGHT TENNIS

Twilight Tennis is a fun doubles competition played Wednesday evenings from 5.30pm to approx 7pm from 14th October 2020 to 24th March 2021 with a break over the Christmas/New Year period.

Teams are made up of three players (maximum of two men) ie the team may consist of three women.

Each match consists of three sets. Each player plays two sets of 11 games each set. The winner of the match is the team with at least 17 games won.

A handicap scoring system is used to keep scores even. If you win the first game, then you begin the next game at 0 – 15. If you then win the next game, you begin the third game at 0 – 30 and so on.

The competition winner will be the team with the most matches won. In the event of a draw, it will then be the team with the most games won.

This competition is a great opportunity for adults who wish to get into tennis or get back to tennis after a break. It is also a great chance for groups of friends or workmates to get out and have some fun.

The competition is split into two sections so there is ample space for players of all abilities.

If you are not able to make up a team on your own, then advise the Tennis Centre and we will find a team for you.

For further information please visit www.midcanterburytennis.co.nz/Twilight/ or phone the Tennis Centre 308 3020

SUNSET DOUBLES

Sunset Doubles is played on Thursday evenings at the Ashburton Trust Tennis Centre and is slightly more competitive than the Wednesday Twilight Competition.

Competition starts Thursday 8th October 2020.

Teams consist of four players. Players are seeded one to four (strongest being one).

The competition is split into three grades; Division 1, Division 2, Division 3. The teams can be mixed or single gender.

Three rounds are played on the night, each round lasting 35 minutes. Early games arrive 5.45pm for 6pm start and finish at 7.45pm. Late games arrive 7.35pm for 7.50pm start and finish at 9.35pm.

Games are totalled up on the night and a result sheet is kept on the notice board in the pavilion to allow teams to keep track of each others progress.
